Multiple Learning Pathways at Fairhills:
This Pathway structure is based on the following understandings:
   a) virtually all students can learn and succeed at secondary school
   b) different students learn in different ways and at different rates (with their total learning increasing like compound interest)
   c) students learn best when they are challenged and work just a little beyond their current level (ie. Progress is not too fast, not too slow)

1. Fairhills Targets
   - 30% of students
   - 40% of students
   - 20% of students
   - 10% of students

2. Career Goals
   - University
   - TAFE
   - Apprenticeship & Traineeship
   - Work

3. Transfers between various pathways

4. Senior School Pathway Choices (1 to 5)
   - (1) VCE SEAL and Enhancement Pathways (greater breadth over 3 years)
   - (2) VCE Mainstream Pathway (2 years)
   - (3) VCElink Pathway (2 or 3 years)
   - (4) VCAL Pathway (1 or 2 yrs)
   - (5) Jobsmart Pathway (1 or 2 yrs)

5. Middle to Senior School Transition Year
   - Choose from Pathways 1 to 5 after completing Year 10
     [Year 10 = 12 semester electives with students from all 3 age groups mixed together]

6. Middle School Pathway Choices (1 to 3)
   - (1) SEAL and Enhancement Accel Pathways (2 years)
   - (2) Mainstream Pathway (3 years)
   - (3) Mainstream Pathway with support programs (3 or 4 years)

7. Junior to Middle School Transition years
   - Choose from 3 different Pathways after completing Years 5/6
     [Years 5/6 = start of middle schooling phase at Primary School]
