If you are undecided about a future career, consider what you would do if you could do anything, or what you would do if you couldn’t fail, or what you would do in your wildest dreams, and aim for that! Once you have found your passion, investigate what steps you need to take to achieve your goal – you can consult the Careers Coordinator for help with this. Then you’re on your way!

In order to discover what interests you, you might also consider undertaking some work experience - consult the list of work experience opportunities posted on the Careers Board.

For information on available courses, you might wish to attend open days at a few tertiary institutions – consult the Careers Board for details.

Waiting for you is a world of exciting career opportunities. Inside is a list of career options for you to consider.

Cherish your visions and your dreams, as they are the children of your soul, the blueprints of your ultimate achievements.
- Napoleon Hill

Go confidently in the direction of your dreams. Live the life you’ve imagined.
- Henry David Thoreau

Don’t be discouraged if at first you don’t succeed – countless successful people have repeatedly failed before they achieved their success.

Also don’t be discouraged by discouraging comments from others – those people are often themselves afraid to try new things in case they fail, or they may be seeking to put you down in order to make themselves feel better.

Find mentors in your chosen field from whom you can seek advice – ask the Careers Coordinator how you can go about doing this.

Pursue something you enjoy. As the saying goes, if you do something you love, you will never work a day in your life!

For further information, please contact the Careers Coordinator at Fairhills High School on (03) 9758 5022, by email at fairhills.hs@edumail.vic.gov.au or at PO Box 226, Ferntree Gully, 3156.

You have brains in your head.
You have feet in your shoes.
You can steer yourself any direction you choose.
- Dr Seuss

Your Successful Career

Did you know that former students of Fairhills High School have gone on to have a vast range of interesting careers? Many have become doctors, lawyers, journalists and business owners, among other things, and you can too!

At Fairhills, we are committed to inspiring and assisting you to realise your potential in all areas of your life, including in your career. In fact, one of our former students provided valuable assistance in producing this brochure as one way of helping you.

Each one of us has special and extraordinary talents – and that includes you!
