MESSAGE FROM THE PRINCIPALS

It amazes me every week at the level of activity that occurs at Fairhills.

150 students headed down to the Year 7 Orientation Camp to Phillip Island in the capable hands of Year 7 Coordinator Julie Cox. The students enjoyed getting to know each other in a relaxing setting and were treated to a range of enjoyable activities including the Flying Fox, Trampolining, Circatron a challenging ropes course, Wildlife Adventure Park, Amaze N Things and Bowling. The highlight of the camp by far was a game of Holes where students re-enact a war battle scene on the beach. The students built trenches and ran for their lives. The spirit of co-operation seen during this activity also proved invaluable when each form were challenged to build massive sand castles in the dark for a prize of copious amounts of chocolate. A special thanks to all the staff who attended.

Once again the VCE evening was a great success delivering vital information to parents and students. Parents were advised on aspects of the VCE rules and regulations, how parents can help, the VTAC selection process, past results and were given advice from past students Amy Ou and Tamasin Mummery. We wish all our Year 11 and 12 students great success this year.

Presentation Ball rehearsals are well underway and 41 couples are madly practicing for the ball on Saturday 27th April. This senior school event is a chance for our couples to be formally presented to Society at the same time raising important funds for the performing arts. Any donations from Fairhills Family Businesses would be greatly appreciated to go into our raffle prizes.

This year we are extremely excited to announce that a cast of 100 Fairhills students will perform in the stage musical Hairspray. This popular musical signals a fusion between our traditional Rock Eisteddfod and musical groups and this all singing and all dancing extravaganza is sure to be a block buster event. Stay tuned for dates.

Arriving soon on March 25-28 will be 20 students from Minami Sanriku (tsunami affected area) of Japan. Host families for these students are still required and a payment of $100 is payable to families who host.

On a final note we would like to warmly welcome our New German Assistant Lena Kohlhaase to the Language department.

With warm regards,

Silvana La Leggia
Associate Principal

Lost and Found School Uniforms
Would parents please check that all items of their students’ school uniform have been labelled with their students’ name. It has been brought to our attention that a number of uniform items have gone missing during PE sessions. Could parents please check that your student has not mistakenly brought home another student’s item of uniform.

Any lost items of uniform can be collected from the Sickbay.

CAREERS INFORMATION
Careers information can be found on the school Website. Please go onto the school website and click on the link.
